Newsletter No. 29

Notices for week commencing 6th January 2003

Welcome Back. I hope Christmas brought you everything you wished for, and you are now refreshed and looking forward to the new session.

With the new session brings new badge classes and new competitions. This session we will be entering **the LONDON PR games** (which we won a few years back), the **Battalion First Aid Competition**, of which we have had tremendous success in the past, the **N. London and London District Cross Country**, and various Drill competitions. The staff will all be working hard and encouraging you in these, and all I ask is that if you put your name down or are picked for a team, that you give the 100% effort I know that you are capable of.

The 2nd Enfield has had a proud tradition in the past of winning competitions, and I feel sure that with effort and teamwork we can get back to our winning ways.
