Notes.

In what can only be described as a 'tense' match, the Senior football team unfortunately lost the Senior cup final to the 10th.11th Enfield last Saturday 2-0. A couple of early chances were missed by us in a game that was high in uncompromising in tackles but low in scoring chances. Luke did a brave job between the posts standing in at the last minute as two players from the 3rd decided to play Cricket for their school instead of playing for the football team, but it was a tough job made harder still when you are only 4 foot tall!!

It is a shame that after a very promising start Seniors failed to carry any silverware, but there is still the 6 a side to come. I know that the certain members of the supporters are looking forward to carrying on the very interesting banter that was going back and forth!

Well done on an enjoyable season though.

An example of close marking technique, used to little effect on Saturday. Also spot the ball competition.
