Notices for week commencing 7th October 2002

This coming Saturday is our first match of the year against the 1st Enfield. Lets hope we can start this season the way we left off the last.....with a win. The good reports that I have been hearing from Thursday's training session's means that you should be raring to go. Especially with the new kit that we have this year!!!!

On the subject of last weeks training sessions, it has come to my notice that the side door lock had been forced off the door by someone kicking the door open without undoing the latch. If this happens again, we will have to look at whether it is worthwhile continuing to run these exercises, as we don't need any trouble from the Church.

ENROLLMENT SERVICE

This coming Sunday is one of the most important services in our calendar, in that it is in this one that you get your Membership Card, and make your promises to the BB. I would like every boy there this Sunday at 10:15 A.M in full uniform.

Uniform

If any of you need items of uniform please send in the sheet that I sent to your parents last week. You will be expected to wear the uniform, without bits missing, at each parade night unless otherwise informed.

Camp

Camp next year has been booked for Saturday 2nd to 9th August, and this year we are going abroad...well, the Isle of Wight to be precise. **A £20 Deposit will secure your place.** Please reserve that date in your diaries.
