Notices for week commencing 21st April 2008

Sunday

This coming Sunday is a very important one, as it is a Battalion Parade. Our company usually has the best turn out of boys, and I would like to see this again on Sunday. Please can you meet at the hall at 9.45am on Sunday, as we need to meet the rest of the battalion at Christ Church on Chase side by 10am. You will be dropped off back at the hall once the service has finished. Remember that this service is worth 4 points on the attendance chart. Please make every effort to attend.

Thursday

This Thursday we will be running a Club night at the hall. The times are 7.30pm till 9.00pm.

Football

We have a 6-a-side football competition this Saturday over at the playing fields. Due to being messed around on the last 4 senior games arranged, where we were told people wanted to play but did not turn up, we have decided that this competition will only be open to the juniors.

This is a separate competition from the 5-a-side league that you are currently involved in. Please sign your name up on the wall if you want to be in the team and I will contact you with meeting times.

Awards Night

On Friday 9th May we are holding our annual Awards night. This is the evening when you will all receive all the badges and awards you have earned or gained throughout the year. It is a special evening and the whole company is involved. Please make a note of the date, as every one is required to attend. A letter will be sent out to all parents this week, inviting them to the evening.

Next week

Next week will be the last uniformed parade night of this year. Let's make sure that we end on a good note, and that everyone turns up in full uniform. After the awards night we will be into our Summer session and then before you know it, Camp will be upon us.

Seniors weekend 6th - 8th June

Please pick up a letter if you are interested in the seniors weekend. It sounds like it is going to be a great weekend with loads of activities planned. The cost of the weekend is only £40 (not £50 as the letter states because the company is going to subsidise £10 per boy). This cost includes all activities, accommodation and food (and we all know how much food the battalion like to eat!! Pizza, yes, Chinese, yes). It is a great deal, but there are limited places.

God Bless and have a good few weeks
