Newsletter No. 7 *Notices for week commencing 11th March 2002*

This coming Sunday is the FINAL Battalion parade of the year, and I want every boy to make a special effort to attend. Please be at the hall at 9:30a.m. prompt in full uniform to travel to the 12th Enfield headquarters at Ponders End.

I have a list now of boys who are behind in their subs payments, as well as those who have still to pay for their uniform. I shall be writing to parents this week informing them of any amounts still owing, but I would have preferred it if all monies had been paid promptly.
