An Un-biased match report

Commiseration's but well done for a gallant effort for last Saturdays Cup Final against the 10th London. In one of the best finals played for years we came back from 1-0 down to 1-1 via a penalty (well done Lloyd), only to fall behind again to some soft goals to go into half time 3-1 down. After some splendid oranges that were delicately quartered and served from a luxury plastic bag, the boys were revived, and magnificently clawed the game back to 3-3 with about 15 minutes to go. The next ten minutes saw us almost camped out in their half, but whatever Darryl and Lloyd tried nothing to get past their lardy keeper. What a fat jammy lad he was, oh my yes. Some splendid defence work from John and Ben at the back kept the game alive, even though this years Oscars should have gone to the 6'6" lad (under 14????) who dived clutching his leg after having the ball delicately taken from his feet by John chopper Murfitt. Finally in the dying minutes of the game, an obviously over-age boy from the 10th sped down the wing and shot the ball over Marks head and in off the underside of the crossbar. Most unfortunate and a cruel way to lose a game that we obviously deserved. Never mind, but we have a chance to have another go at them in two Saturdays time. I bet they don't have a full squad for that match...

Other matches till the end of the season are April 6th – 10th London (A), April 13th - 1st Barnet (H), May 11th – no match, May 18th – 133rd London. (A)
